

Warming up to Fall

The official end of summer doesn't mean all the good golfing days are gone. It does seem to have gone pretty fast this summer with all the activities. There are still some great opportunities to golf this fall and if the weatherman is correct then we'll have good weather well into October.

August was a busy month with weddings, tournaments, retirement parties and anniversary parties. The tournaments ranged from the Youth-on-Course tournament where some local golfers shined (see article inside) to the swan-song Ladies Silver Salmon Invitational Tournament. Everyone enjoyed the course and many of the improvements.

September brings the change of season as well as more events on the course. Take advantage of our tournaments this month and support your local Brookings Police Department K-9 program or round up your team to help the Brookings Harbor High School Bruins with their first annual Bruin Gridiron Classic. Both are sure to be fun events. The Traveling Women will also be back to Salmon Run after a hiatus. We are looking forward to these events and wrapping up our wedding season.

The City of Brookings has approved a permanent structure to become our Occasional Hall or Event Center for the course. This structure will be bigger than the existing tent and able to withstand weather events that we all know are common in the winter! We'll also have the opportunity to host holiday parties and meetings in the Hall. One end will open toward the #1 pond giving an indoor driving range of sorts. All the destruction (of the current tent) and the construction of the new building should begin in early October after the last scheduled wedding. It's an exciting time.

Finally **congratulations** to all our Youth On Course players. We enjoy hosting this tournament and seeing the up-and-coming golfers who are our future. It's fitting that our own Cameron Kime won the YOC tournament at Bandon Crossings so will competing along with Taylor Westbrook and Lucas Vanderlip at the Tournament of Champions.

Thanks for all the support of EMT. -Gary & Val

YOC Junior Boys: Cameron Kime (runner up) Taylor Westbrook (Winner)

DEALS!!

September DEALS—Must mention this newsletter!

Monday Madness—Senior rate starts at 11 AM.

Back To School Special: Bring a new golfer to the course and get half off the 2nd green fee. Must mention you saw it in the newsletter.

Check out our Facebook, Twitter and Instagram for last minute deal announcements.

Youth On Course

In 2017 the YOC Tournament had to be evacuated due to the heavy smoke and Chetco Bar Fire growth. The morning of August 18 showed some lingering smoke from the Klondike-Taylor Creek fire making some of the golfer reminisce. However, the day cleared off and all rounds were successfully complete. We had some local golfers do very well and introduced other junior golfers to Salmon Run.

The winners in each group qualified for the Tournament of Champions, September 8th at Creekside Golf Course.

Junior Boys:

1. Taylor Westbrook
2. Cameron Kime

Boys 14-15

1. Trent Anderson
2. Bryce Stiemert

Girls 15-18

1. Haley Brown
2. Sophia Swartley

Pee Wee Boys (10-11)

1. Lucas Vanderlip
2. Davis Hartwell

10. Backstreet Bar

Thanks so much for all the support! Several of the teams have donated their winnings to purchase club washers and fairway markers.

CONGRATULATIONS!!!!

Hole-In-One Club:

Don Jackson #4

Ladies Silver Salmon Invitational

A small but fun group of lady golfers joined us for the final Silver Salmon Invitational on August 9-10. August 9th hosted a practice round as well as a floating green contest on the lake. The 2-woman best ball round began early August 10th followed by an awards lunch and raffle prizes awarded. The Salmon Run Ladies Club chose the Brookings Harbor Food bank as a recipient of their proceeds from the 50/50 drawing and the raffle baskets. At the end of day 2 the team of Pam Deraita, Tracy LeJeune, Wendy Hughes and June Podesta captured the Low Gross winnings. Low Net winners, from Redwood Empire Golf & Country Club, was the team: Vicki Nolan, Karen Smith, Susan Strahan and Jan Carrico. 2nd place for low net: Diana Denham, Marilyn Almada, Marian Tidwell & Gretchen Ford. 3rd place low net: Margo Dutton, Lynda Pritchett, Lisa Flatebo and Joan Grasty. Individual low gross honors went to June Podesta who shot an 82 narrowly beating a few. Low net went to Pam Deraita. Closest to the Pin winners were Rita Vitale, Patti Cox, Pat Curry, Vicki Nolan and June Podesta. Long drive winners were Stephanie Glazebrook and June Podesta.

In addition to the wonderful lady golfers we had some incredible sponsors including our Platinum Sponsors AAA Stor-All and Delaney Signs. The Hole-In-One contests were sponsored by Coast Auto and while no one won the car there were some great "close" shots. Other hole sponsors to help with the tournament: Babin Law Firm, Daryn Farmer State Farm Insurance, Gerald Ross Insurance, Musser Olsen CPA, Vista Pub, SeaQuake Brewing, Grocery Outlet, Freeman Rock, Barnes Construction and the Salmon Run Ladies Club. Dan Ford and Elden Tidwell gave up their Friday to help officiate the Hole-In-One on the 4th hole.

3rd place low net team: Traveling the farthest—Margo & Lynda (on left) combined with the Cedar Bend ladies.

Thanks to everyone who've made this tournament so successful, and fun, over the years. The weather was perfect and the golfing was wonderful.
