September 2019

Two Weddings and a Tournament (or two)

It seems August is the month when everything happens at once. Over one weekend we had 2 weddings and a tournament! WOW! Followed by another tournament the next weekend. We thank everyone for their patience during these events as we scrambled to get everyone on the course, playing golf. There were also other happenings including the Ladies Club Match Play Tournament, Men's Match Play Tournament, Business League finale and more.

On the maintenance side of the coin we had some issues with the irrigation system (yes, again) with a few leaks that required quick fixes. Several key pieces of equipment got tired and needed some rest (as well as some fixes), carts were problematic with up to 10 electric carts going down in one day, and the greens had something "funny" happening! What we've discovered, after 3.5 years, is this is normal happenings on a golf course. So, we rally the troops and dig in to get it fixed.

We held the Youth-On-Course tournament during that busy weekend and while our own Cameron Kime didn't win his division, he demonstrated the epitome of sportsmanship. Some of the boys had not played Salmon Run and Cameron acted as a guide for the course; giving hints, tips and helping his fellow competitors play Salmon Run (which we all know can be challenging). We are extremely proud of Cameron and, in our book, he was the real winner!

Work continues on the Occasion Hall with the inside being the focus. More interior framing is being completed with additional electric. Finalizing the heating/air conditioning system is next on the docket. The addition of the patio has really enhanced the building.

Since fall is arriving shortly it means our hours will change slightly and we'll be aerifying the greens. We will try to give some notice about aerifying and, as usual, will have half the course closed while the crew works on the other half. We appreciate your patience during this yearly necessity.

Finally, just a word to ask for some help. We have been battling "dead ball marks" on the greens all summer. When a ball mark is not repaired it creates a dead spot on the green which can invite disease. Please help us by repairing your ball mark (or someone else's) and one other this fall.

We are looking forward to a great fall with plenty of play, events and good weather.
~Gary & Val

DEALS!!

September DEALS—What's the catch? Must mention newsletter!

Back to School Special—Monday Madness—bring a youth golfing on Monday and your green fees are 50% off. Cart fees apply.

Finally Friday Special—Mention the newsletter and get a free hot dog with your round of golf. Please limit hot dogs to one per person.

Keep track of us on Instagram & Facebook for more specials.

Youth On Course—Salmon Run

Congratulations to our Youth On Course golfers who braved the heat this year. We had several age groups of boys play with the older groups playing 18 holes while the "Pee Wee" groups played the back 9. Golfers and spectators, alike, walk the course, some for the first time. Lucas Vanderlip was the low score amongst all the golfers with a 76. The winner in each group is invited to the Tournament of Champions.

Junior Boys (16-18)

1. Zachary Montagne
2. Cameron Kime

Boys Group—(14-15)

1. Oliver Ausland
2. Isaac Ramberg

Intermediate Boys (12-13)

1. Lucas Vanderlip
2. Trison Hedges

Pee Wee Boys 10-11: James Logan

Pee Wee Boys 8-9: Brayden Alvarade

Lucas & Trison

Cameron & Zachary with the Junior Boys Group

Upcoming Events

August 29, September 5—SR Ladies Club Championship

Sept 18 & 25—SR Men's Club Championship

September 21—Prowl & Growl Golf Tournament—Brookings Police K-9 Fundraiser

October 5—Wedding

October 12—Wedding

October 26—Boyd Carson Memorial GreensKeepers Revenge to benefit Katelyn's Cause

Bruin Gridiron Classic—2nd Annual Football Fundraiser

On a perfect golfing day, 18 teams converged on Salmon Run, August 24, for the 2nd annual Bruin Gridiron Classic. Patterned after the successful Del Norte Boosters Tournament, the BGC played a scramble format with optional mulligans and "string thing" to raise money while producing a winning team. At stake was a choice of professional sports jerseys or Lifeproof backpack coolers. In the end, the mulligans and string gave team Pro-Barnes: Jim Barnes, Matt Hubbard, Wolfgang Juarez and Mia Weaver a one shot lead at 20 under par (yes, a 51!) to edge out the 2nd place Team Runge: Mike Runge, Christian Cain, James Morrow and Kevin Debacker. A 3 way tie for 3rd place avoided a pitch off as the raffle and jersey give away raised additional funds for the football program. This tournament will return in 2020 with a new date in May. Put it on your calendar as it's a great time for a fabulous cause.

Congratulations to Bill Lentz—one of our newer members. He scored a Hole-In-One on #7 August 20th - Congratulations !
